

Scandinavian Highlights

This popular independent tour combines the attractions of Scandinavia's major cities with a variety of magnificent scenery. From Stockholm your journey takes you by train through serene vistas of lakes and forests to Copenhagen. From there you take an overnight ferry to Oslo and wake to a total contrast of scenery as you sail up the beautiful Oslofjord. From Oslo the spectacular rail journey 'Over the Roof of Norway' brings you to Bergen, with the opportunity of excursions into the stunning Western fjords.

If you prefer, you can even start your holiday in Helsinki (Tour Ref HT13), then take the overnight ferry to Stockholm, through its beautiful archipelago. Extra nights can, of course be added wherever you wish. Shorter tours are also possible, starting in Copenhagen or travelling direct from Stockholm to Oslo. It is also possible to break the journey between Oslo and Bergen with a few days at Voss or Balestrand, as shown in our 'Over the Roof of Norway' tours on page 5.

Escorted Tours

In conjunction with our colleagues Robinson Scandinavia we can offer high-quality escorted tours featuring all these highlights, and even the possibility of St. Petersburg and Moscow. Departures are guaranteed, and prices include all excursions and most meals. Further details on request.
